

LIFE INSURANCE — For the “What ifs” in Life

Life can change in an instant. Suddenly, those “what if” situations can become a reality that send a family reeling financially and emotionally.

Ask yourself these questions:

What if I died unexpectedly?

Could my family continue to live in our home?

Would my children have the funds to be able to attend college?

Will my family have the funds on hand to pay for my funeral and final expenses?

Life insurance is there to provide financial help to those affected by the “what if” situations.

There are four basic needs most families have:

- Final Expenses
- Income Protection
- Mortgage Protection
- And College Education

Life insurance from American Income Life Insurance Company can address these needs to help ensure that your family can continue to thrive while remaining in the home you have provided for them. Coverage is available to provide for money to replace a portion of the income they will lose if you are not there. You can make sure your children are able to have a college education. Life insurance helps protect the legacy you have worked so hard to provide.
